APRIL 2018

Congratulations to...  
 Miss Showgirl 2018 - Laura Murray  
 Teen Ambassador Winner - Shauna Sorrell  
 Teen Ambassador Runner Up - Shai Watson

### Ladies Luncheon

This year's ladies luncheon was a knockout success with exquisitely crafted Mojitos and engaging speakers providing the perfect treat before the introduction of our 2018 showgirl and teen ambassadors.

The 84 ladies in attendance were enthralled listening to Megan Mackay from Muckadilla Pasture Fed Eggs, who spoke on her family's journey creating a niche product in a typically beef production area.

Business consultant Carmen Roberts, Compass West, Roma, shared the importance of valuing your own time as currency and practical tips for growing your business as well as yourself.

Despite being very tasty, uniformity in the pikelet cooking competition set the bar fairly low so there is a strong chance the men could take the cake come show time.

# Kamilaroi performance horses

The Kamilaroi performance horse team has been dazzling audiences with their amazing skills on their highly trained horses for years in a display that will leave audiences wanting more!

The Kamilaroi team perform a range of show stopping displays including vaulting, Roman riding, liberty horsemanship and the thrilling crowd favourite, trick riding.

Kamilaroi horses and riders will perform at various intervals throughout the show with major entertainment segments on both Monday and Tuesday nights- don't miss out!

EFTPOS available throughout the show at the secretary's box during the day and at the main bar at night

## Men's cooking

The male cooking section in the Taroom Show pavilion has gone from strength to strength since its early days as our local men prove they're capable of more than yarding cattle and changing lightbulbs.

This year's hotly contested section asks men to whip up a prime batch of pikelets and stewards and adjudicators alike are hoping for more entries than ever.

Long-time entrant Harry Johnson said it was a man's time to shine and a chance to show they could match it with any female baker extraordinaire.

"We've got nothing to lose," he said.

"I know quite a few blokes who are handier in the kitchen than they let on and what better stage to reveal their talent than at the show! Of course, I've been fine tuning my recipe for months so they'll need to have their finger out. There's nothing quite like being known as the best male chef in the area- everyone should give it a go."

Entries are to be 6 pikelets on a plastic plate, covered with plastic wrap.
