PRESIDENT'S WELCOME

Welcome to the 2021 show! It was with a heavy heart that we cancelled the 2020 show, at the time not realising the extent the world would be impacted by COVID-19. Yet, here we are twelve months later living in a "COVID normal" and very grateful for the opportunity to run a great public event while so many other places are still in lockdown. It is my hope that this event will exemplify all the great things we love about a country show while maintaining a safe environment for patrons.

Thank you to the committee for their efforts towards the 2021 show and over the last 12 months to get our projects up and running. We have made headway on several projects, the largest being the complete rebuild of the prime cattle yards to a multipurpose selling facility and double deck loading ramp.

On behalf of the committee I would like to thank all sponsors and exhibitors. Without your contribution our event would not be possible. And remember there is nothing to look at unless someone enters it. Why can't that someone be you?! I look forward to seeing all the entries and efforts that go into making our show one of the best in rural Queensland.

Christie McLennan
